

## MOSI link to Modular one

To find the Modular One system on the Museum of Science and Industry you need to perform a detailed search using this link;

[“https://collection.sciencemuseumgroup.org.uk/search/objects?q=Y1984.170”](https://collection.sciencemuseumgroup.org.uk/search/objects?q=Y1984.170)

OR from the Collection Home page [“https://collection.sciencemuseumgroup.org.uk/”](https://collection.sciencemuseumgroup.org.uk/)

In the “Search Field” enter “Y1984.170”

Click the Search button.

This should search for and find a list of the Modular One system components.
